1 Further to the Court's February 3, 2023 minute order (Dkt. 84), the parties conferred about
 2 their availability for a jury trial later this year, as well as several other scheduling matters but were
 3 unable to come to an agreement.

4 Plaintiff proposes a trial date of December 4, 2023.¹ Plaintiff proposes the below schedule
 5 which gives ample time for any remaining required discovery while maintaining as timely and
 6 efficient a schedule as possible.

7 Given that Defendants' counsel will be overseas for the period of September 1 through
 8 October 10, 2023² and unable to devote time to this case during that period, and given that he will
 9 be unable to meet some of the deadlines in the schedule proposed below, Defendants request that
 10 the Court set a trial date for early 2024 and that the various deadlines be adjusted in accordance
 11 with that date. Furthermore, as this Court only just recently permitted Defendants' counterclaims
 12 to proceed, the proposed schedule does not afford sufficient time for Defendants (and perhaps
 13 Plaintiff as well) to complete discovery on these counterclaims.

14 Also, in its motion to amend the case schedule (Dkt. 80), Bungie did not include dates for
 15 mediation and related activities, which this Court ordered be completed after the close of discovery
 16 (Dkt. 45). The parties propose adjusting those dates consistent with any new schedule.³

	Current Deadline	Proposed Deadline
JURY TRIAL DATE	June 12, 2023	December 4, 2023
Length of Trial	3 to 4 days	3 to 4 days
All motions related to discovery must be filed by and noted on the motion calendar no later than the third Friday thereafter (see LCR 7(d))	January 12, 2023	March 13, 2023

24 ¹ Plaintiff is also available in November except 11/20 - 11/24.

25 ² Indeed, Defendants' counsel scheduled his overseas travel in reliance that this matter would be tried June
 26 12-16, 2023 as set by this Court's June 14, 2022 Scheduling Order (Dkt#44).

27 ³ The parties are discussing an earlier mediation.
